The entire street of Lynwood will take part in the tour, and a free trolley will be at your disposal to get you around if you like.

Dickens Carolers will serenade you, and the streets will glow with luminaries on Saturday night. Bring your Holiday gift list and take home season brightening, often hand crafted, unique items from toys to treasures for folks of all ages. Food vendors will satisfy your appetite with lots of goodies, and our neighborhood baked goods food booth can supply munchies to make a meal that day or great stocking stuffers.

Why Go To The E. Q. Story Home Tour?

For a city short on history and long on population; celebrating our past by highlighting the beauty, integrity and distinctiveness of our architectural heritage makes for a special time to share with friends and family. Seeing how richly blessed we are to retain these places encourages folks to support

efforts to keep our past vital and strong. Restoration by Story's homeowners might have been a challenging, frustrating, complicated experience, but ultimately it's been a rewarding one, and the results can be seen in this amazing display of homes. Talking to homeowners sharing their stories and reveling in their successes is the ultimate HGTV reality show - but YOU are there.

Proceeds from our Home Tour, the only fund raiser of the year, go to continuing efforts to install period street lighting, support historic integrity, host community events, publish our newsletter, maintain a Story website, integrate our efforts with other historic neighborhoods and help spread the word about the vitality of life in a historic community.

Mark your calendar for this Special Event! On the first weekend in December, see historic Phoenix for real and make this a Holiday Happening not to be missed!
