TO USE THIS SCHEDULE

- Locate your numbered area on the map.
- Find the area number on the schedule.
- Bulk trash must be placed out by 6 a.m. on the 'Collection Begins Week Of' date.
- Placement is allowed only between your area's listed dates.
- If you have curbside collection of green trash containers, you should place your bulk trash on your property, parallel to the street or curb.
- If you have alley collection of large black trash containers, you should place your bulk trash in the alley.

PHOENIX PUBLIC WORKS BULK TRASH

Bulk trash collection is a quarterly service provided by the Phoenix Public Works Department as part of your residential trash and recycling service.

Bulk trash consists of materials that are too large to fit in the garbage or recycling container. Materials such as furniture, large appliances and large amounts of vegetation are often considered bulk trash.

GOT LOTS OF GREEN ORGANICS?

Then consider the Curbside Green Organics program offered to eligible residents.

This program is still in its first phase of implementation. It provides a new large, tan container for yard waste only, such as grass clippings, twigs, branches and shrubs. It's perfect for households that have weekly landscaping maintenance and/or own large properties. The additional monthly fee is \$5 per tan container requested. The tan containers will be collected weekly, along with trash and recycling.

Materials that should not be placed in the green organics container are: oleanders, palm fronds, treated wood, trash and food waste, and recyclables.

To find out if your neighborhood is eligible for this program visit phoenix.gov/publicworks and click on "Solid Waste Programs" where you will find information about this program and other waste diversion programs offered by the city. You also can call 602-262-7251 to find out if your household is eligible.

"Slow Down to Get Around" is a national safety campaign which reminds motorists to drive carefully when near waste and recycling collection vehicles. Several states across the nation

have adopted legislation due to this campaign. The logos are posted on city waste collection vehicles. The goal is to bring awareness to this safety campaign and to keep residents and our drivers safe from any harm.

ILLEGAL DUMPING

If you suspect illegal dumping in progress, please report the incident to Crime Stop at 602-262-6151.

If the illegal dumping is not in progress, please report the incident to the Public Works Department at 602-262-7251

BULK TRASH PLACEMENT RULE

The 2016-2017 Bulk Trash Schedule provides a strict timeline of when bulk trash may be placed for collection. City ordinance allows nine days prior to the scheduled collection week to place bulk trash out. It is a violation of city ordinance to place trash out before the listed "Placement Begins On" date. In an effort to keep neighborhoods looking clean, tidy and beautiful, please follow the "Placement Begins On" schedule.

BULK TRASH CREWS DO NOT PICK UP:

- More than 20 cubic yards per residence, or a pile the size of a SUV.
- Loose debris and litter. Please sweep or rake area after collection, if necessary.
- Loose grass, leaves, weeds, twigs and hedge clippings. These items must be bagged or boxed and securely tied to be collected.
- Household hazardous waste, such as antifreeze, pool chemicals, oil, batteries and paint.
- Community piles.
- Materials such as bricks, concrete, dirt, rocks, asphalt and roofing shingles/tiles.
- Construction materials in excess of 25 pounds or over four feet long.
- Metal or car parts in excess of 20 pounds or over four feet long.
- Tires, any shape or size.
- Glass such as windows, shower doors, patio doors, mirrors, fluorescent tubes, etc.
- Appliances that use refrigerants such as freezers, refrigerators, and air conditioners.
